But, he says, that kind of "one-size-fits-all" approach is a disservice to the nation's diverse students. In the past, he says, students with the same kind of learning needs were often treated in very different ways by teachers. "It was a patchwork of solutions," he says, "filling empty seats and not paying too much attention to the students. We need to bring teaching to a level of

## UN food truck attacked in Lanao; 1 dead

MANILA, July 10 (AP) — A United Nations food truck was attacked in Lanao del Sur, Mindanao, on Sunday, killing one person and wounding several others.

The attack occurred in the town of Marikina, where the truck was delivering food to a group of displaced persons.

The truck was hit by a mortar shell fired from a nearby position. The driver was killed and several others were injured. The truck was carrying food supplies for about 50 people.

The attack is the latest in a series of violence in Lanao del Sur. The region has been plagued by conflict between the government and various militant groups. The United Nations has been providing humanitarian aid to the area.

The United Nations has condemned the attack and is providing medical aid to the wounded. The organization is also investigating the attack to determine the responsibility.

## NBI raids buttons factory using endangered shells in Palawan

National Bureau of Investigation (NBI) agents raided a button factory in Palawan, using endangered shells as bait. The factory was producing buttons from the shells.

The factory was located in a remote area. The NBI agents found a large number of shells and buttons. The factory owner was arrested.

The NBI is investigating the factory to determine if it is involved in the illegal trade of endangered species. The factory was found to be using shells from the Philippine eagle.

The Philippine eagle is an endangered species. The use of its shells for buttons is illegal. The NBI is working to protect the species.

The NBI is also investigating the factory for other illegal activities. The factory was found to be producing counterfeit goods.

The NBI is working to shut down the factory and to bring the owner to justice. The factory was found to be a major source of illegal goods.

The NBI is also working to protect the Philippine eagle. The eagle is a national symbol of the Philippines.

The NBI is working to protect the eagle and its habitat. The eagle is found in the Philippines and in other parts of Southeast Asia.

*Learn to be more safe this holiday season*

By Maria T. Salas

**T**he holiday season is a time of joy and celebration, but it is also a time when the roads are filled with more vehicles and drivers. This increase in traffic can lead to a higher risk of accidents, so it is important to be extra cautious and follow safety guidelines. The Department of Transportation (DOTr) has issued several reminders for drivers during the holiday season, including the importance of wearing seatbelts, avoiding drunk driving, and not using mobile phones while driving.
